GlenLakes Memorial Granite Planters Installed

We feel incredibly fortunate to collaborate with Lugo's Natural Stone Works from Springhill. They meticulously designed, crafted, and installed two exquisite granite flower planters. These planters now proudly cradle our patriotic flowers, creating a vibrant pathway leading to the memorial paver deck area. The entire community came together to make this project a success, and Mary Ann, our skilled memorial landscaping and plant specialist, breathed life into the granite planters by adorning them with red, white, and blue blooms. The accompanying pictures beautifully capture the collective effort that went into this meaningful endeavor!

September 2024 Membership Meeting

Sep 5th, 9am., GLVFA will hold its next members meeting at the clubhouse, upstairs ballroom.

This month, we are honored to welcome Steve Katz from Honor Flight® of West Central Florida, Inc. as our guest presenter.

The Honor Flight's noble mission is to honor American Veterans by providing them with FREE OF CHARGE flights to Washington, D.C. There, they can visit and reflect at the national memorials dedicated in their honor. This month's presentation is an absolute must-see!

GlenLakes Veterans Memorial Spruced Up!

The GLVFA recently organized a thorough cleaning and revitalization of our beloved memorial. As residents drive or walk by, they're greeted by its timeless beauty and inspiring presence. Recognizing the impact of weather and the passage of time, dedicated GLVFA member volunteers rallied for a "GI Party" at the memorial. Together, they swept, polished, and meticulously tended to fallen leaves and weeds on the memorial's paver platform, ensuring its pristine appearance endures. We sincerely hope that all residents take pride in our community's impeccably clean and patriotically adorned memorial
