Baldomero Lopez Florida State Veterans Home GLVFA-Sponsored BBQ Lunch

Members of GLVFA's "Yellow Shirt" team recently visited the Baldomero Lopez State Veterans' Nursing Home in picturesque Land O' Lakes. Earlier this year, GLVFA awarded the home a grant to fund new exercise equipment, supporting the physical therapy needs of its veteran residents.

As part of that ongoing commitment, GLVFA volunteers personally served a delicious BBQ lunch to residents and staff alike. More than just a meal, the visit became a meaningful exchange of stories and camaraderie, as members sat with each veteran, sharing memories and swapping "war stories." While the veterans and staff were thrilled with the lunch and the company, it was our members who left feeling honored and uplifted by the experience. The facility's uplifting environment and beautiful location make it a perfect home for elderly veterans in need of assisted living resources. GLVFA is a proud sponsor of this state veteran home and looks forward to next year's lunch with these veteran heroes!
