Basic Scramble Rules

USGA Rules will govern play unless amended by local course rules.

1. Each foursome will play 18 holes (best ball)
2. Only one score per hole per team is to be recorded.
3. A player's lie may be improved by one club length (no closer to the hole) through the green except for hazards (play the ball as it lies and then the other team members can place the ball no closer to the hole). on the green, the ball must be played at the spot where it lies.
4. Bunkers will be in play for the event
5. To speed up play, we will play "BOGEY FRIENDLY" rule. No score higher than a bogey taken, pick up the ball and move to the next tee.
6. Scorecards must be signed and turned in at the PROSHOP after the round. Pro Shop enters all player scores and verifies winners.
7. We use the USGA method to break ties for first place (no prizes for second or third place). Pro Shop will enter all scores, & verifies winners.
8. Please repair your divots!
9. Bathroom Codes: Men 314 Woman: Unlocked for the day

Golf Scramble Prizes

Beat The Golf Pro!

Conducted at hole 4: This par 3 optional contest is between a player and an up-and-coming LGPA golf pro. Team players can purchase an individual “ticket” upon arrival at the hole (if any player or entire team chooses to participate). The LGPA pro will explain the contest rules to participating players upon their arrival at hole 4.

For any player who beats the pro, their ticket will be deposited into a “beat the pro winner” container. One lucky ticket from the container will be drawn during the after-event lunch. The winning ticket will receive a gift certificate from the golf catalog

Note: Hole 4 also has a closest-to-the-pin prize as part of the overall event, which is separate from the “beat the pro” contest.
