GLVFA Visit and BBQ Lunch

On May 25th, GLVFA members visited the Baldomero Lopez State Veterans' Nursing Home in beautiful Land O' Lakes. Earlier in the year, GLVFA provided a monetary grant to the home for the purchase of a new recumbent bicycle to help veteran residents with their physical therapy needs. As part of that grant, we also provided the residents with a BBQ lunch, catered by GLVFA members, who helped to serve all residents and staff a fantastic lunch. GLVFA members also spent personal time with each resident veteran and talked "war stories". While the residents and staff were overjoyed by the lunch, our members were just as overjoyed by the experience!

The facility's uplifting environment and beautiful location make it a perfect home for elderly veterans in need of assisted living resources. GLVFA is a proud sponsor of this state veteran home and looks forward to next year's lunch with these veteran heroes!
