

Join us for a GlenLakes Vets Panel on Thursday, Sept 3rd at 9AM

Our very own GlenLakes veterans panel members will discuss their active-duty experiences and the effects on their current lives since serving their country. Our veterans panel will also relate their experiences navigating the VA system since leaving service.

These topics and more will be touched on by long-time members of the GlenLakes Veterans and Friends Association. Bring your friends and come early to the GlenLakes Clubhouse for free coffee and donuts.

Honor the Veterans among your family and friends!

We only have about 40% of the brick spaces remaining in our Garden of Honor for Veterans and First Responders. Our current 255 bricks even include a Medal of Honor awardee. Please go to www.glenlakesvets.org/brick-purchase-program.html for more information, details, and order form.

Plan ahead for our fund-raising Veterans Day Scramble

We've begun soliciting for sponsors of this year's Nature Coast Veterans Day Golf Scramble to be held on Monday, November 9, 2026 (yes, we know that's a couple of days early). Just go to our Sponsorship page at www.glenlakesvets.org/golf-event.html to review and select our enhanced options. You can download forms to pay by check or use your credit card to contribute online. You can even be an early bird and register to play if you're eager to protect your chance to play... and help our local veterans' groups. ***We plan to beat last year's \$30,000 in grants!!***
