Veterans Memorial "Garden of Honor" Spring 2025 Brick Purchase / Memorial Maintenance Campaign

The Garden of Honor is nearly half full now. The next batch of brick orders is well underway. Many GL residents have purchased a brick for their beloved veteran or first responder. If any resident that desires to honor a family relative or good friend that served in the military as a first responder, please consider ordering your brick by scanning the QR code or web link below. Either option enables access to the memorial's "Garden of Honor" details, inscription examples, and brick order form. Brick order proceeds are 100% used to support your memorial's maintenance. If you want to help us maintain its beauty, please consider a direct donation to keep our community's memorial looking great all year long. GLVFA maintains the memorial with fund raising events and direct donations. Please visit our website, and select "donate".
