

GlenLakes Veterans and Friends Association

HONOR

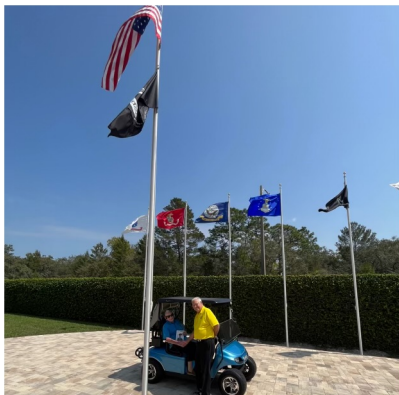

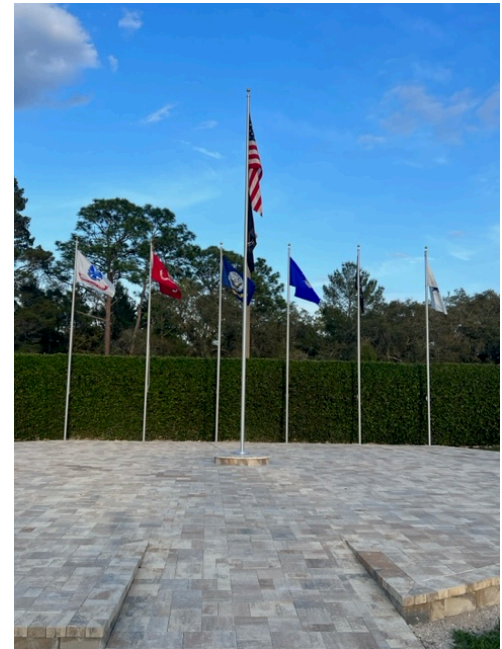

This month, we honor all GlenLakes veterans and their families with the establishment of the new Veterans Memorial! The memorial now welcomes residents and visitors as they pass through the front gate. Please visit the GLVFA website for memorial details and groundbreaking and construction pictures.

Denny Blum, Mike Fulford, Ron Ford and Dicky Keane (left to right)

With the support of GlenLakes ownership, our residents, friends, and business sponsors, we are proud to have built a lasting testimony to service and sacrifice given to our country by the GlenLakes men and woman who wore the uniform. The memorial will provide a place for reflection and also provide a place to conduct celebration of life and other memorial events.

This month we also honor our own WW2 veteran and new centenarian **Roger A. Howard** (left). He was a member of the 78th Infantry Division, fighting in Germany. Roger published his experiences in a book titled ""Call to Duty". Pictured with Roger is GLVFA co-founder Denny Blum (Vietnam Vet) and Rogers' son Don Howard (Vietnam Era Vet).

On April 6th, our organization will celebrate Roger's 100th birthday at the GlenLakes clubhouse, at 9AM, in the upstairs ballroom. All GlenLakes residents are invited to attend and honor Roger!

For more details on Roger, please visit the GLVFA website: www.GlenLakesVets.org

GLVFA is a non-profit, free membership organization. Veterans and non-veterans alike are welcome to attend our monthly meetings (free). Visit our website for further details on upcoming guest speakers.

Call to service! We need volunteers to help us support the many veteran causes we are involved in throughout the year. Please contact us if you would like to honor our veterans, to be part of a greater good and purpose!
