## Rolling Thunder Fund Raiser Event

GLVFA had the distinct privilege of participating in a special event, paying tribute to the founder of the renowned "Rolling Thunder" organization, Artie Muller (SGT, USMC) and his wife Elaine. Attendees were treated to an engaging conversation with Artie via a video feed. The event, hosted by GlenLakes Club manager Mr. "G", in collaboration with GlenLakes ownership, offered a unique ability to honor and pay respect to Mr. Muller.

Established to raise awareness and demand accountability for Vietnam War POWs and MIAs, the Rolling Thunder non-profit organization has since evolved into a powerful display of patriotism and unwavering respect for all who defend our country.

The pinnacle of the occasion was the honor guard presentation by the Rolling Thunder organization—a solemn moment when they bestowed a "POW/MIA Chair of Honor" upon the GlenLakes community, in honor of Artie Muller. You can find it proudly displayed on the lower level of the clubhouse. We encourage all GlenLakes residents to visit and witness this poignant tribute.

## Memorial Day Event

GLVFA conducted its 2nd annual Memorial Day flag raising ceremony on May 27th. Thank you to all GlenLakes residents that observed this event with us, and to remember those that gave the ultimate sacrifice to protect our American way of life.

## Honoring GlenLakes First Responders

GLVFA is, by our name's definition, an organization that is made up of veterans and friends that reside here at GlenLakes and in the nearby community. The brick "Garden of Honor" hosts memorial bricks of first responder friends given their sacrifices and support of our American freedoms.

We recognize that fact and are proud to have our first responder friends join with our veterans in having them honored with a memorial brick. To order a brick for your first responder or veteran loved one please visit our web site to order your memorial brick.
