GLVFA officers will also present grant checks from our 2023 donations to deserving local veteran and civic organizations.

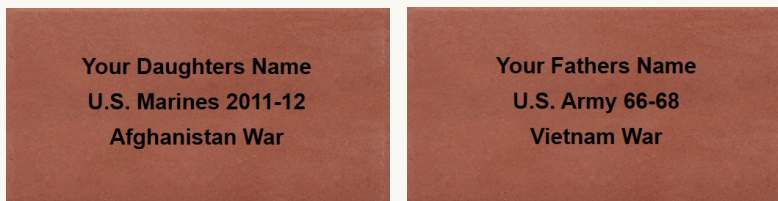

## Veterans Memorial "Garden of Honor" Spring 2024 Brick Purchase Campaign

Our third round of memorial bricks are available to order now! Orders for previous rounds came in fast, we expect the same for this round of brick orders. Don't be left out, the brick garden is limited on the number of bricks it can hold! If you would like to have a brick made to honor your beloved veteran, please order your brick by scanning the QR code or using the web link below. Either option will enable you to access further brick garden details, brick inscription examples, and brick order form. Or come to one of our monthly meetings and fill out a form in person.
