PASCO AND CITRUS COUNTY COMMUNITIES**

Welcome to GlenLakes!

The GlenLakes Veterans and Friends Association (GLVFA) was established in 2016 with a mission to support our GlenLakes community and local veteran organizations. But we cannot maintain a viable organization without a strong membership.

Whether you are a veteran, have veteran family members, or are someone who appreciates the sacrifices our veterans have made for our country, you are welcome to join our organization, at no cost to you (free membership) in support of a worthy cause as well as an opportunity to meet other like-minded members at our monthly meetings and quarterly "rest and recuperation, R&R" dinner events held at the club house. At our monthly meetings, there are always interesting guest speakers that present to meeting attendees on topics that are informative to members and GlenLakes residents in general such as health care, elder care, balance classes, financial and retirement seminars, technology seminars, veteran support and advisement, and much more. Monthly meetings are commonly one hour in length with a donut and coffee bar available (free).

The group is involved in numerous veteran-centered activities including assisting veterans with PTSD (via the Veteran Administration's SAVES program), Florida Veterans home, Wreathes across America program, Memorial Day flag placement at local cemetery, grants to various local veterans organizations, and much more.

The organization raises funds to support programs largely through corporate and local business sponsorships. Our premier fund-raising event to support our veteran programs is the annual Nature Coast Veterans Day golf event held at the GlenLakes clubhouse and golf course. As a GLVFA member, you can assist in the success of this event through volunteering or participation. As a registered non-profit 501(3)(c), all funds raised go directly to veteran and their families causes. Your joining our organization will help to amplify the impact we collectively make on our community.

We look forward to meeting you! Come join us on the first Thursday of each month, at 9am upstairs in the Glenlakes clubhouse.
