Nature Coast Veterans Day 2021 Golf Scramble Guidelines

Teeing Area – Choose your tee based on the following directions

- **Men under 60 years old will play from the WHITE tees**
- **Men 60-79 years old play from the GOLD tees**
- **Men 80 years old or older play from the RED tees**
- **Women play from the RED tees**

Basic Scramble Rules

USGA Rules will govern play unless amended by local course rules.

Competition will be a 4-person scramble.

1. Each foursome will play 18 holes.
2. All members of the group will hit from the tee. The team will then select the best drive. From that point, all members of the group will hit a second shot. Again, the team will select the best shot. This procedure will continue until the ball is holed out.
3. Only one score per hole per team is to be recorded.
4. A player's lie may be improved by one club length (no closer to the hole) through the green with the exception of hazards. For example, if you elect to play a ball from a sand trap, the player whose ball you have chosen to play must play the ball as it lies and then the other team members will be allowed to place the ball (no closer to the hole). Once players have reached the green, the ball may not be placed to improve a player's lie (must be placed at spot where it lies on the green).
5. Bunkers will be in play for the event

6. In an effort to speed up play, we will play "BOGEY FRIENDLY" rule. No scores higher than a bogey taken. Simply pick up and move to next tee once you reach a score of bogey for a hole.
7. Scorecards must be signed and turned in to the PROSHOP at the conclusion of the round.
8. We will use the USGA recommended method to break ties for first, second, and third place. The proshop will enter all scores and verify the winners.
9. Bathroom Codes
 - a. Men: 314
 - b. Women: Unlocked for the day
10. ENJOY THE DAY!
